

tired of my extended family
terrorizing us. But I have
my parents, my brother,
my friends and myself.
I don't know what was
happening to me but I am
putting faith in Allah and
the universe and myself.
I will be okay. Yes. I will.
I got a feeling it'll be alright!
YES!

Warmly and love,
Faellina Angel Xoxo.
Also I WILL BE OKAY.
I WILL BE ALRIGHT.
I WILL BE FINE.
YES.
