sorry, I was in lunch in environmental
science room (McDaniel) and I felt
tired so I didn't feel like talking about
it. But I have HUGE NEWS. I have
a major crush. On a girl. I went to
the Sadie Nash interview and there
was this beautiful hijabi sitting there.
she was wearing a burgundy scarf,
grey baggy sweater that looked so
cute on her and beautiful red lipstick.
Her legs were so tiny and perfect.

As she started talking and she's
so so passionate about everything!
WE BOTH LOVE THE SAME
THINGS! WE BOTH LOVE ART
AND THE SAME YOUTUBERS AND
SOCIAL JUSTICE. Her name is
Manar. What a beautiful name.
I tried looking for everywhere on
facebook. I even looked at the
page her school's facebook page.
I finally found her on Sadie Nash's
instagram account. ~~Why~~ I really did
insta ~~as~~ her. I messaged her.
think I lost her replies.
I hope she revealed in
the group interview that she was
a lesbian and my heart ~~is~~ fluttered.
I was being super ignorant and
thought she assumed that she
was straight. God, but I'm trash
compared to her. She's so beautiful
and I'm so ~~as~~ awkward. I hope she
likes me. ~~even~~ god, I never had
feelings like this for anyone. No one.
I even found
her tumblr.
I drew justifying her insta and
her beauty.

SHE'S SO CUTE SHE EVEN
REFERENCED TO ALADDIN.
I really do hope something happens.
Why won't she respond to my messages? I feel
like screaming and throwing up.
