

like that, I'm not sure. Anyways,
the video was basically about how
having a crush can be really hard
and well, "soul crushing." It might
not ~~be~~ turn out the way you
want them to be and that's the
painful reality. I hope I'm good enough
for [redacted] but at the same time,
I want her to be with someone better.
(Incidentally, she liked my post
about her on Instagram. I wonder
what she thinks about me. I like
her a lot.

I messed
up on the
nose but
OH
WELL!
