

SOME TIMES I FEEL LIKE I FALLING
WORLD IS FALLING
MANAGE BY GIVING

I don't know
why I'm worrying
so much it's
making me feel
so horrible about
myself.

I feel like I'm
disappointing
everyone around
me it's making
me hopeless.

It is tearing
and I know
but I pretend
now it, trying to

NORE

it.

THE PIECES BACK TOGETHER
I WANT TO
FEEL WON
DERFUL AG
AI out of
glue
H ME HO

Dear Fab thing, It's me. I know you feel sad and
like a complete failure. It's a normal feelings
when sucks and feels like total shit but
I want to tell you that you are NOT
shit. You are wonderful and you are
worth all the fairy dust in the entire
world and you deserve to be happy. From,
me, your wonderful self.

I WANT TO
FEEL WON
DERFUL AG
AI out of
glue
